NEWS IN KENTUCKY.

BROWN WILLING TO RUN.

The ex-Governor ready to come out against Goebel—if not nominated, is willing to support another.

Louisville, Ky., July 26.—Those democratic leaders are opposed to the nomination of Senator Goebel, and a meeting in Louisville Wednesday night with an attendance of about 1,000.

A bombshell was cast when Judge W. H. Sweeney, of Lebanon, announced authoritatively that ex-Gov. John Young Brown would accept the nomination of the forthcoming convention for governor, and that he would make it the supreme political effort of his life.

The announcement that Gov. Brown would be a candidate for the nomination has caused much surprise. It is conceded that he will have no opposition.

Speeches were made Tuesday night by John D. Calaway. Resolutions denouncing the democratic state convention were introduced and adopted. They are practically the same as those adopted in other similar meetings, and, in addition, they suggest a state convention on Aug. 30.

LEXINGTON, Ky., July 26.—What is considered by politicians as a climax in the fight against William Goebel for the gubernatorial chair was reached Tuesday night. Ex-Gov. John Young Brown, of Louisville, announced his intention to head the anti-Goebel ticket, if nominated, or to take the stump for Maj. P. P. Johnson or any other good man who will lead the other democratic ticket.

Strike fails at Louisville.

Louisville, Ky., July 26.—The threatened strike of telegraph messengers in Louisville has calmed down. One of the messengers upset the switch board, and got fired.

—Tuesday morning, "Nine Western boys" struck and got fired and the rest of us are afraid we'll get fired, too, if we strike, so we don't want. Most of us are getting fair pay. The boys that wanted us to strike said they didn't want the Cincinnati kids to be setting a lead we couldn't follow," said?

Want a Park.

Louisville, Ky., July 26.—Suited was entered by the city of Louisville and the board of park commissioners Tuesday afternoon, against the Dupont House to condemn the Central park property. This is the first step toward having it converted into a park for public use.

Violence and suicide.

Adams overheard his wife and another man planning an elopement and the shooting followed.
